

# INSTRUCTIONS

Before attaching the roof we recommend that you paint the model first. See [www.miniaturescenery.com](http://www.miniaturescenery.com) for an illustrated guide.

1. Cut out the template using a pair of scissors or a craft knife.

## 2 x DWELLING ROOF TEMPLATE

2. Fold the roof along its centre before folding the flaps.

3. Apply a thin layer of glue to the model before affixing the roof.
